

I CLAIM:

1. An undergarment comprising a frame; and a plurality of members projecting outwardly from said frame for
5 maintaining an outer garment spaced from a wearer's body, at least some of said members being removably attached to said frame, whereby said at least some of said members can be replaced with replacement members.

10 2. The undergarment of Claim 1, wherein said at least some of said members are permanently mounted on a band which is sized and shaped so as to be removably attached to said frame.

15 3. The undergarment of Claim 2, wherein said frame is constructed from a plurality of strips.

4. The undergarment of Claim 3, wherein said strips includes a plurality of longitudinal and transverse strips.

20 5. The undergarment of Claim 4, wherein said at least some of said members are made from jade.

6. The undergarment of Claim 5, wherein said frame includes a pair of sleeves.

7. The undergarment of Claim 6, wherein said sleeves 5 are removably attached to said frame.

8. The undergarment of Claim 7, wherein each of said sleeves includes at least one set of projecting members mounted thereon.

10

9. The undergarment of Claim 1, wherein said frame is constructed from a plurality of strips.

10. The undergarment of Claim 9, wherein said strips 15 includes a plurality of longitudinal and transverse strips.

11. The undergarment of Claim 1, wherein said at least some of said members are made from jade.

20

12. The undergarment of Claim 1, wherein said frame includes a pair of sleeves.

13. The undergarment of Claim 12, wherein said sleeves are removably attached to said frame.

14. The undergarment of Claim 13, wherein each of said sleeves includes at least one set of projecting members mounted thereon.

5

15. The undergarment of Claim 3, wherein said frame includes a plurality of openings formed by said strips.

16. The undergarment of Claim 15, further comprising
10 a fabric sheet attached to said frame for covering at least one of said openings.
